RE: Patrick Swiney #15440 6 G79 at Donaldson Prison; AL 35023

Dear Governor Riley:

I wish to draw your attention to the treatment, or lack of treatment that is being provided to an inmate and, his family's friend of mine, incarcerated at the above Facility. Inmate Patrick Swiney suffers a serious heart condition that requires immediate medical provision. Something I have on good authority, he is not receiving. This contravenes both his constitutional rights, and human rights. And, is a moral obligation in itself within any decent society. I appeal to you Sir to investigate this matter, for which I am deeply concerned.

Respectfully,

Franz Kurz
